PRINCE ANDRE

Brazilian rapper and producer. Portuguese-language rap over club grooves.

Portuguese-language rap over club grooves: that is how Prince Andre, a rapper and producer from Salvador now based in São Paulo, describes his sound. He was the voice on Da Da On by Ali Love & Prince Andre (Hot Creations, HOTC204, 2023), played on BBC Radio 1 by Pete Tong.

“Da Da On’ brings a driving bassline, samba inspired percussion, whistles, and Prince Andre’s effervescent rhymes.”
